

ACTIVE SHOOTER RESPONSE KIT CHECKLIST

As described on the BlueSheepdog.com site, the active shooter response kit is different from the bail out bag.

Nevertheless, there is overlap between the two, and they compliment each other.

Plate Carrier

- plate carrier with rifle rated plates
- 2 double rifle magazine pouches such as these
- pouch for additional duty pistol magazines
- medical pouch for your trauma/first aid kit

Winning the Fight

- 4-6 loaded rifle magazines
- 2-4 loaded duty pistol magazines
- 20+ shotgun shells (00-buck and/or slug as department regs allow)

First Aid

- 2 or more CAT tourniquets
- 2 or more QuikClot Combat Gauze
- 2 or more Israeli pressure bandages
- 2 or more pairs of rubber gloves

Additional Considerations

- Marker or grease pencil
- 550 paracord
- Wedge-It
